

**VOLUNTEER — MATH TUTOR**

# Be the person who made a **difference**

Guide selected Grade 7–11 students in Mathematics — as an act of seva.  
You are fully supported. You are never alone.

|   |                         |   |                                     |

*"The Gurudwara has always been a place of learning and seva. This is your chance to carry that forward."*

## THE ROLE

# You do not need to be a master teacher

You are given login access to the same learning software your students use — so you can see exactly what each student is working on, where they are excelling, and where they are stuck. For

every exercise assigned, you receive the fully worked solution.

Your job is to guide, not lecture. You work through specific problems the student is stuck on, using the material already in front of you. *A senior faculty member is always available for consultation.*

*You are never on your own.*

#### WHAT YOU ARE GIVEN

## Everything you need, every week

### Software Login

Full access to each student's learning dashboard — see their progress, streaks, and exact problem areas

### Worked Solutions

Complete step-by-step solutions for every exercise assigned to your students — prepared in advance

### Senior Faculty

A senior faculty member with decades of academic and industry experience is available for any question

### Session Structure

Each session is structured — you are not improvising. A clear plan is provided each week

#### THE COMMITMENT

## 5 hours a week — structured and supported

1.5 hrs / week

Review student progress data and worked solutions via your software login

1.5 hrs / week

Mid-week Zoom session — guide students through concepts they are stuck on

**2 hrs / week**

Sunday in-person session at the Gurudwara

**5 hrs total**

Structured, supported, and purposeful

**WHAT WE ARE LOOKING FOR**

## The right person for this role

- ◆ Comfortable with Mathematics at the middle and high school level — Algebra, Geometry, Pre-Calculus
- ◆ Patient and able to explain concepts simply and clearly
- ◆ Reliable — Sunday mornings and a mid-week Zoom commitment throughout the program
- ◆ A genuine desire to give back to the next generation of our community

### What you will receive

A heartfelt token of gratitude, a formal acknowledgement letter signed by Prof. Baltej Singh Mann, and recognition at every quarterly Parents Forum and in all program materials.

*Your seva will be honoured — in gratitude, in recognition, and in the difference you make.*

## Ready to give back?

Fill in the interest form and we will be in touch before June 14th.

Express Your Interest

*Waheguru Ji Ka Khalsa, Waheguru Ji Ki Fateh*

**Seva · Charhdi Kala · Sarbat da Bhal**
